8th-12th February 2021

Spanish Carnival Week!

8th–12th February

We had a wonderful Spanish **CARNIVAL ZOOM FIESTA** this week! Our Carnival Queen gave 5 challenges throughout the week –

Monday—they had to dress in their parent's clothes

Tuesday—they were asked to wear something on their heads like a silly wig or a funny hat—some children even coloured their hair!

Wednesday—face painting!

Thursday—dressed in our favourite costumes or as a favourite character

Friday—Dress Ugly Day—this was very a difficult challenge for Christ Church and Holy Trinity Children as they are naturally extremely beautiful! But they made a real go of it! We had some very weird looking outfits!

All children were also invited to their very own zoom carnival party—great fun!

There were also a lot of carnival ideas for the children on our website—they learned how to make a maraca, a face mask and delicious Crespells biscuits.

Crespell's Biscuits

Crespells are tasty biscuits of various sizes and shapes; they are eaten throughout the year, but traditionally at Easter, when families and friends gather together to bake them. They are a traditional biscuits from the Balearic Islands - particularly in our Spanish teacher, Miss Aina's, home of Mallorca! The recipe is on our [website](#)
