## BOOK FAIR

The Book Fair starts on Monday 24th June and runs until Friday 28th June before and after school in Cadogan Gardens. The school will be given 50% of all profits made to spend on books for each class.

We are desperately looking for two volunteers per time slot to man the Book Fair every day. Please do get in touch with Lisa if you feel you might be able to help.

[lphillips@ccht.rbkc.sch.uk](mailto:lphillips@ccht.rbkc.sch.uk)

*For those of you who would like their children to purchase a book but may not have time to take them, teachers will be taking their classes to the fair (see dates below). On the day your child's class will visit the fair, you are welcome to send them in to school with cash to purchase something.*

Tuesday 25th June - Year 2 visiting  
Wednesday 26th June - Year 4 visiting  
Wednesday 26th June - Year 3 visiting  
Wednesday 26th June - Year 1 visiting  
Wednesday 26th June - Reception visiting  
Thursday 27th June - Year 5 visiting  
Thursday 27th June - Year 6 visiting

## Dance Energy 2024

'Dance Energy is a dance platform connecting the community with leading dance industry professionals. An integrated dance programme, providing children and young people, 7- 19 years old (up to 25 with LLDD) from primary, and secondary schools, and community groups with the opportunity to work on a dance piece in a style of their choice.

A group of CCHT Year 5's will showcase their talent and perform/compete in the full-stage production in front of an audience, including family and friends, on the Kensington Town Hall stage'.

Please follow the link below to book tickets

JOHN LYON'S CHARITY

# LONDON PARIS BIKE RIDE

At 8:30AM, Friday the 21st June 2024 a group of parents and friends will set off from Chelsea to cycle for three days to the centre of Paris

**Richard Steenberg**, parent of Isabel in year 5 HT and parent governor. New to long distance cycling but thought that as I have some fundraising responsibility as governor, I ought to take part in one of the year's big initiatives.

**Sarah and Chris Johns.** Sarah is a teacher for children with specific learning difficulties at Christ Church and is also involved in the gardening club. All three of our children attended Christ Church and really enjoyed their time there and made deep friendships. We have also both forged strong friendships through the school community over the years and loved taking part in the bike ride to Amsterdam (even though Chris forgot his passport).

**Fred Bourverat** is Ottie in CC Y1's dad. Occasionally cycle to work so assumed this would be a breeze, a couple of training rides later and are slightly more concerned. Keen to raise as much money as possible for school by doing something with the other parents.

**Dom MacGregor**, married to Susanne, is dad to Y5 twins, Dora and Delphi, and all 4 of their children attended Christ Church. Dom is delighted to be joining the bike ride from London - Paris.

**Geoff Everson** is the Dad of Martha in year 5, Christ Church. He is a veteran of the Amsterdam sponsored ride and is a bit of an Eddie Merckx - in his dreams. The reality is a little different.

**Charlie Combe**, dad of Lexi (year 4 at Christ Church). My older 2 children were also at Christ Church. I am taking part because it was Tim and my mad idea to go to Amsterdam 5 years ago and we always said that Paris was our next adventure, with a virtual walk to New Zealand in between.

**Alex and Tom Hester.** Shortly after leaving Christ Church, Tom joined his dad for the school's first ride to Amsterdam, on bikes that only had 8 gears between them. Now they are back for the Paris challenge, with 33 more gears, and a combined age for both men and machines of 111 years!

**Tim McKean** is a former parent and current Governor at CCHT. His 3 children attended Christ Church between 2008 and 2021, giving him the opportunity to build a strong bond with both Christ Church and more recently Holy Trinity. Tim is a keen cyclist who previously participated in the 2019 fundraising ride to Amsterdam.

**Gregg Stone.** My son Archie is in year 2 and loving school life at Christ Church. I am really excited to be taking part in the cycle to Paris, it's going to be great fun and hopefully, we can raise lots of money for the school.

**Harry Bagot.** As a father of three children currently at Christ Church, I couldn't be more grateful for the hard work that goes in to our children's education. Hopefully the bike ride will go some way to enhancing further the education of current and future generations.

**Stephen Doran & Catherine Costley** Parents of two energetic boys currently at Holy Trinity. Rory is in reception and Benjie is in year two. We are taking part as it's a great opportunity to raise funds for the school with other members of the CCHT family.

**Lisa Frost.** With three daughters at Holy Trinity who love to ride I knew I had to take on this fun challenge to help support two great schools. Supporting our school is so important to give the children the best learning environment so let's pedal together towards creating better schools for our kids.

I'm **Brad Jacobs**, a proud dad of two children in Year R and Year 3 at Christ Church. I'm thrilled to be joining the Paris ride, which is a fantastic opportunity to enjoy the beautiful English and French countryside, spend quality time with fellow CCHT riders, and, most importantly, raise vital funds for our two incredible schools. Your support would mean the world to us as we pedal towards an even brighter future for our kids!

**John Cole** Christ Church Dad to Martha, Year 2. Excited for this 'bucket list' mission to Paris with the Elite CCHT peloton.

Please scan the QR code below to go to our fundraising page

You came out in force this morning to cheer off of our parents, alumni, governors and staff who have just departed London on route to Paris to raise funds for new toilets at Christ Church and Holy Trinity.

Pavilion Road was filled with Holy Trinity parents, children, and staff, all enjoying coffee and Bread Ahead pastries and coffees. Thanks to Year 1 parent Michael Pavey for passing around the sum-up machine for more wonderful donations! A further £750 was made towards our united cause. The fundraising link is still open, so please donate if you can to spur our cyclists on over the weekend. We will be showing regular updates on our federation Instagram account, @cchtfederation.

Link to donate is here:

FRIDAY 28TH JUNE 3:30PM - 5PM  
CADOGAN HALL

# OUR CITY

WESTMINSTER // KENSINGTON & CHELSEA

## WHAT'S ON FOR YOUNG LONDONERS

On Our City, you'll find activities, programmes and support for under 25's in Westminster or Kensington & Chelsea.

These could be just for fun, or could be to learn new skills or find help. All projects are free to take part in or cost only a small amount. To find an activity, visit the Our City website at the link below

<https://ourcity.org.uk/projects/young-people/outofschool/grid/any/0/0/-1/undefined/any/youngPeople/undefined//1?q=>

You will also find information on this website about the Holiday Activities and Food Programme (HAF), a Department for Education (DfE) initiative that provides activity and food provision for children aged 4-16 during the Easter, Summer and Christmas Holidays.

The programme includes summer camps, sports, arts, cooking, mentoring and leadership, and a wide range of activities for children and young people with SEND. Free places and food will be provided to those who are eligible for free school meals. Families can also access nutritional information through the programme. There's something for everyone.

If you find something you would like to purchase – just add it to your basket and pay in the usual way you would. Please add the school address and the items will be delivered to us.

# Year 1 - Metal Bashing Workshop

# Summer Dance and Games with Mr. Ellison

Tuesday 23rd and Wednesday 24th of July  
Holy Trinity School  
Cadogan Gardens, SW3 2RN

The camp is open to all students in Years 1 to 6 at Holy Trinity, Christ Church and anyone else who would like to get involved. We'll be splitting into two groups on both days: a lively younger group and a more advanced older group, ensuring everyone gets the most out of their time.

Over the two days, the students will enjoy a variety of fun and classes, including workshops with cast members from the West End's Frozen, Wicked and Charlie and the chocolate factory. And of course, there will be plenty of dance and games with Mr. Ellison.

A brilliant opportunity to dance, play, and make new friends! To join the fun, please email [dancewithmark@outlook.com](mailto:dancewithmark@outlook.com)

**YEAR 1 TO YEAR 6**  
Dance, singing, & Games WITH  
**MR. ELLISON**  
& GUEST PERFORMERS

Join us for a 2-day fun-packed camp filled with singing, dancing, drama, exciting games, and workshops with guest professional performers!

**Time: 10am - 3PM**  
**TUE, JULY 23RD & WED, JULY 24TH, 2024**

**COST: £60**

To sign up, please email [Dancewithmark@outlook.com](mailto:Dancewithmark@outlook.com) Holy Trinity C of E Primary school, Cadogan Gardens, SW3

## DH-SPORTS COACHING FOOTBALL CAMPS SUMMER 2024

DH-Sports Coaching will be running football camps in the summer holidays. These will take place at our usual venue in Battersea Park by the Albert Bridge car park. The camp will consist of quality coaching, fun games and small sided matches delivered by fully qualified and first aid trained coaches. Each child will also receive some prizes for taking part. The dates and prices for the camp are as follows:

Week One Monday 22<sup>nd</sup> to Friday 26<sup>th</sup> July

Full Week	Full day	Half day
£80	£20	£15

Week Two Tuesday 27<sup>th</sup> to Friday 30<sup>th</sup> August

Four Days	Full Day	Half Day
£70	£20	£15

Monday 2<sup>nd</sup> & Tuesday 3<sup>rd</sup> September Two Day Camp

Two Days	Full Day	Half Day
£40	£20	£15

The times for the camps are:  
Full Day 9.30am-2.45pm  
Half Day 9.30am-12.30pm or 12.30pm-2.45pm.

The age group for the camp is from 4 to 14 years and all levels of ability are welcome. If you would like to book any places for your child could you, please contact myself (Dean Henwood) on 07772547192. Or email to [dhenwood@ccht.rbkc.sch.uk](mailto:dhenwood@ccht.rbkc.sch.uk)

## Nina Peanut is Amazing (ages 6-8 & up)

Author: Sarah Bowie Publisher: Scholastic

Nina Peanut makes “amazing and non-stupid” videos. Her 'How to Peel a Banana' clip managed to get two likes and her 'This Potato has a Face' clip even got a comment (admittedly from her best mate Brian). Despite her low viewing figures, Nina is confident in her creative genius and unique comedic style. But when an embarrassing video of her cat goes viral, she finds herself negotiating the intricacies of online fame, jealousy, rivalry and friendship – all while struggling to protect her creative integrity.

Sarah Bowie's graphic novel is bursting with creativity and humour. You cannot help being whisked along by Nina Peanut's infectious energy and readers will love the quirkiness that she brings to the story. The illustrations are full of comic details and hilarious captions and are sure to keep children engaged throughout.

As well as its humour, this book does also touch upon some important issues for its target readership. The difficulties of social media, popularity and cyberbullying are brought up and addressed in a positive and light way.

These themes will resonate with children who are increasingly confident using social technologies, especially as they are presented in a child-centred and unpretentious way.

This week, in **English**, we have continued to learn about sea creatures. On Monday, the children used their senses to describe what they could see, hear and smell under the sea. On Wednesday, they wrote a letter to the Rainbow Fish explaining how his behaviour had affected the other fish.

In **Maths**, the children learnt about odd and even numbers. We organised a teddy bear picnic and shared food evenly. The children understood that when the teddy bears didn't have the same amount of food the quantity would be odd.

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/ /f/ /l/ /ff/ /ss/ /ll/ /j/ /v/ /w/ /x/ /y/ /z/ /zz/ /th/ /ch/ /sh/ /qu/ /ng/ /ai/ /ee/ /igh/ /oa/ /oo/ /ar/ /or/ /ur/ /ow/ /oi/ /ear/ /air/ /er/ /ay/ /oy/ /y/ /o\_e/ /a\_e/

This week the children reviewed the following sounds:

/ai/ - rain, train, paint, saint

/ay/- day, spray, play

/a\_e/- cane, lake, flame, chase

**Please continue to practise all tricky words at home.**

In **Understanding the World**, the children learnt about different animals and their habitats.

On **Thursday**, we took a trip to Battersea Park Zoo to explore the inhabitants there, learning about their habitats and diet. We had a wonderful time playing in the park, followed by a picnic.

Have a wonderful weekend!

*Learning at Holy Trinity in Year 1*

*Friday 21st June 2024*

---

*Dear Parents,*

*This week, in English, we have focused on poetry. The children worked on rhyming words and then, they all had a go at writing their own summer poems! I was greatly impressed with their work!*

*On Tuesday, we were lucky enough to have a 'Metal Bashing' workshop where we created some beautiful scales and fish. We drew designs, bashed them into metal, twisted metal into 2D or 3D fish and above all, had lots of fun. We loved being allowed to use the tools and lots of us showed how resilient we were even when our fingers felt like they might drop off!*

*In Maths, we continued to learn about fractions. This week, we focused on quarters. The children understood that a quarter is when we split a shape, object or number into four equal parts.*

*Wishing everyone a lovely weekend,*

*Miss Martin*

---

## Learning at Holy Trinity in Year 2 Friday 21<sup>st</sup> June 2024

Thank you all for making this week so special! Miss Sebbak and I have had them most wonderful birthdays and there has been so much joy and laughter coming from our year two classroom.

This week we started a new text called 'The piano and the bear'. We have use the illustrations to write our own version of the story and made accurate predictions about what we thought might happen next. It is brilliant to see the range of expanded noun phrases used.

In maths, we are looking at positional language; including left right above below and next to. We noticed how clear our instructions had to be when we instructed a friend to make a block tower with instructional language.

During our computing lessons we began to learn more about algorithms using [scratch](#). Please feel free to practice using this program at home.

We have begun to prepare for our art exhibition on Friday 28<sup>th</sup> June. Year two will be showing a range of flowers inspired by each of our key artists throughout the year. This week we finalised our Monet inspired sunflowers.

In our design and technology lesson, we have evaluated our final coats and considered what we would change or improve if we were to complete the project again.

In preparation for our beach trip, we are learning more about parts of the UK, this week we identified key cities within the UK and matched landmarks, memorable food, and events that take place in each area.

We are now spending our Thursday mornings in Sedding street. We had a detailed tour to see the different rooms and resources that will be available to us in September.

Next week is due to be sunny. Please ensure that you are wearing the summer uniform and have a water bottle to use throughout the day.

Reminders:

- [Amazon Wishlist](#)
- Art Exhibition on Friday 28<sup>th</sup> Jun

Many thanks, Miss Peach

## Learning at Holy Trinity in Year 3

Friday 21<sup>st</sup> June 2024

This week in English, we have continued writing our newspaper report. We tried to include the key features of report writing. Once we had finished and our report had been checked, we published our reports in our neatest handwriting.

In Maths, we continued our unit on geometry. This week, we looked at identifying and comparing different angles, and understanding the difference between horizontal and vertical lines. Next week, we will look at the concepts 'parallel' and 'perpendicular' and identifying and classifying 2D shapes.

Here are 4 more angles. Have a think 

All of the angles are bigger than/smaller than a right angle.

All of the angles are more than/less than 90 degrees.

Angles more than 90 degrees and less than 180 degrees are called **obtuse** angles.

In RE, we continued our unit 'Who is Jesus?' This week, we thought about what Jesus meant when he said 'I am the light of the world.' We discussed the importance of light and used these ideas to help us understand why Jesus would identify himself as light.

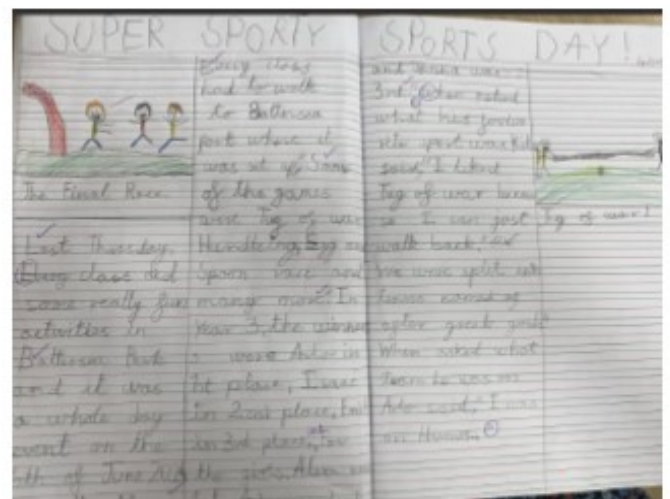

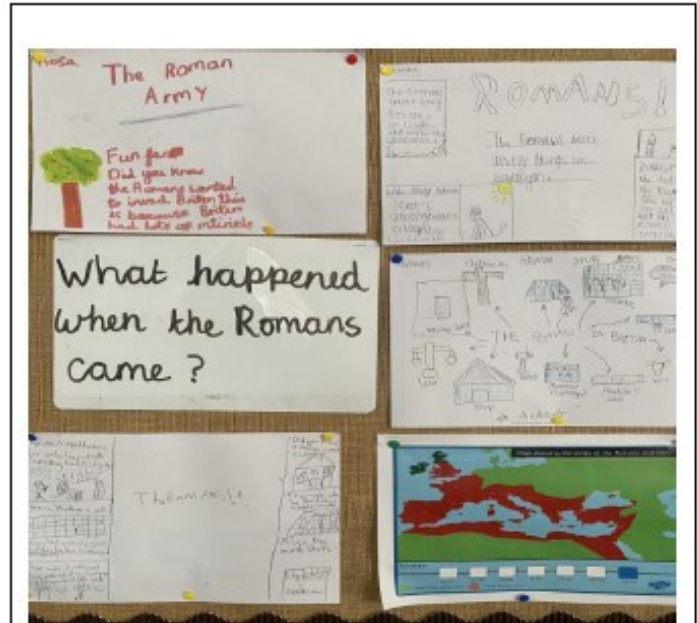

In History, we learnt about what life would have been like for children in Roman Britain. We learnt that life was very different depending on whether you were rich or poor. We then compared life in Roman Britain to life today and found similarities and differences. Ask you child which toys were popular in Roman Britain.

Have a lovely, sunny (hopefully) weekend,

Miss Quirke and the Year 3 Team 😊

**Reminders:**

- Science Museum – Friday 28<sup>th</sup> June
- Graduation – Friday 12<sup>th</sup> July 9:30am
- Go Ape – Tuesday 16<sup>th</sup> July

Learning at Holy Trinity in Year 4

Friday 21<sup>st</sup> June 2024

---

**Highlights of this week include:**

**Maths:**

In maths, children continued to explore angles as a measure of a turn by comparing and ordering angles. We began by recapping acute, right and obtuse angles. Children saw that a right angle is a greater angle than any acute angle, and any obtuse angle is greater than a right angle. They identified different types of angles and used this information to compare and order the angles. They then moved on to comparing two angles of the same type. We also looked at examples and non-examples of triangles to help summarise the characteristics of a triangle: a closed, 2-D shape with three straight sides. Children then consider the properties of different types of triangles: scalene; isosceles and the equilateral triangle. We then turned our attention to quadrilaterals and learnt how to distinguish between a trapezium, a rhombus and a parallelogram as well as the familiar square and rectangle.

**Art:**

This week, Year 4 completed their final watercolours inspired by the book "Journey on a Cloud." They used wet-on-wet and layering techniques to capture the whimsical and dreamy atmosphere of the story. The vibrant, expressive paintings reflect their creative interpretations and newfound skills.

**Science:**

In Science, we explored the cranial structures of various mammals, examining diagrams to understand their unique features. They identified and compared different types of teeth—incisors, canines, premolars, and molars—observing how each type is adapted to the animal's diet and lifestyle. This investigation helped them appreciate the diversity of mammalian anatomy and the evolutionary significance of these adaptations.

**RE:**

Year 4 students reinforced their understanding of the concepts of samsara and moksha by playing an engaging game of Snakes and Ladders. Each snake represented obstacles and negative actions leading to setbacks in the cycle of rebirth, while each ladder symbolized positive actions and spiritual progress towards liberation. Through this interactive activity, students deepened their comprehension of escaping samsara and achieving moksha, making the complex philosophical ideas more accessible and relatable.

**Have a lovely weekend!**

## Learning at Holy Trinity in Year 5 - Friday 21<sup>st</sup> June 2024

Year 5 has had a very exciting week!

On Monday, we were very lucky to have a visit from PC Anton Dennis from the MET Police Youth Engagement Team. We had a very interesting discussion about being safe on the street, especially with mobile phones. We learnt about how to keep safe when uses devices on the street, with some excellent tips for when many of us will be walking home from school on our own next year. We know to keep our phones on our bodies rather than out and easy for someone passing by to grab, and if we do have to take a phone call or send a message then we move as far from the road side as possible. We are looking forward to seeing him again in a couple of weeks for our next session about staying safe online.

We have been practising hard for the Swedish Midsummer Festival held today, learning our songs and even moved furniture around the classroom so that we had space to do the dances! We now have one song that we can sing in Swedish, and so many of us can sing it without needing the lyrics in front of us. On Thursday, we were delighted by the musical talents of some of our friends on Thursday afternoon - how lucky we are to have such wonderful musicians in our class. Thank you to those who performed in the Summer Concert, as well as everyone who has performed in other concerts. You have done such a lovely job and so much learning!

### Reminders:

- PE kit needs to be worn on Wednesdays and Thursday.
- Homework is due on Wednesdays!
- Year 5 is visiting the book fair on Thursday 27<sup>th</sup> June so if you would like to send your child with some money you may, or you can visit after school.

Have a lovely weekend!

Miss Pollard-Brown and the Year 5 Team

Learning at Holy Trinity in Year 6

Friday 21<sup>st</sup> June 2024

In Maths, we continued to look at angles. We looked at vertically opposite angles and how they always must be equal. We used our understanding of what angles around a point and along a straight line equal to help us.

We took part in a workshop called 'Black and Blue' this week. It focused on the life of an old Chelsea footballer - Paul Canoville. We learnt about his life, his family and the highs and lows of his football career. We discussed the Windrush generation, the dangers of peer pressure and drugs and how life has its positive and negatives.

We then were lucky to visit Stamford Bridge on Friday and meet Canoville himself! It was great to ask him questions about his life and see the amazing stadium.

We headed into our second week of splitting into 'Night' and 'Dream' groups for our rehearsals with positive attitudes and determination to work hard. Very well done everyone, you are all working incredibly hard and blowing the Year 6 staff away in awe!

#### Reminders:

- **Friday 28<sup>th</sup> June** - Art Exhibition at Cadogan Gardens 3:45pm.
- **Week Beginning Monday 1<sup>st</sup> July** - Shakespeare performances
- **Friday 5<sup>th</sup> July** - Leaver's Disco at Christ Church 7pm-9pm
- **Monday 8<sup>th</sup> - Wednesday 10<sup>th</sup> July** - YHA Residential trip

What a splendid week everyone! Have a lovely, sunny weekend! 😊
