## Staff Leavers

*As excited as we are for the Summer holidays, we are very sad to be saying goodbye to two much loved members of our team.*

Dear Parents and Carers,

After six wonderful years at Holy Trinity and over twelve years in London, I have decided to move back to Spain. This decision brings mixed emotions, as I cherish the memories of my time at Holy Trinity and in London.

Holy Trinity has been a special and crucial place in my career and professional development. My experiences in Early Years and Key Stage 1 have been incredibly rewarding, impacting me on both personal and professional levels.

Teaching in Early Years has been particularly meaningful, as I have witnessed the incredible growth and development of young children. Their curiosity, creativity, and resilience have taught me invaluable lessons and have inspired me every day.

I have really enjoyed teaching your children, getting to know them and seeing them flourish. They have definitely made my days brighter and their spontaneity, curiosity and love for learning have taught me a lot. Thank you to all the wonderful families who support our school and community. Your kindness and participation in our school activities have been crucial in creating a nurturing and positive environment for our children. It has been so lovely to witness the positive impact of our collective efforts on the lives of our pupils.

I will be moving to Spain at the end of July and my plan is to continue to pursue my passion for children's wellbeing and further my research in this area. I will work as an educational consultant, supporting children, parents, and educators.

I also look forward to being closer to my family and friends after so many years abroad. Initially, I plan to spend a couple of months in Lanzarote before moving to Madrid.

Holy Trinity is a wonderful school with wonderful people. Thank you for these memorable years! London will always be my second home, so I'm sure you will still see me around from time to time.

Thank you for everything.

Cati

### A message from Mrs Hawkins

We are very sad to be saying goodbye to Miss Martin at the end of this term. She has given so very much to Holy Trinity and the CCHT Federation. She has been utterly dedicated to her classes. Her focus has always been the children's academic and pastoral progress.

She has been a brilliant positive behaviour lead and parents and staff have benefitted from her workshops and training. We wish her well for the new life she is making back in Spain. She will always be a part of our Holy Trinity family.

## Staff Leavers

Dear students, families, and staff of Holy Trinity,

Over the past year, I have felt incredibly welcomed into your school community. Teaching Year 5 this year has been such a joy, from the day to day, to going to Osmington Bay and everything in between.

I feel so privileged to have been able to spend such a significant amount of time with such wonderful young people.

Year 5, you brighten up every day - no two days are the same! Your sense of humour, attitude towards learning and sense of loyalty is wonderful and you will be excellent Shepherds next year.

To the staff, thank you for all of the incredible support each and every one of you has offered - I won't forget it. Thank you to everyone in our school community for your kindness this year, I wish you all well.

Miss P-B

### A message from Mrs Hawkins

We have all had the pleasure of working with Miss P-B this year. She has been a great addition to our team and we have loved the energy and enthusiasm she has brought to Year 5 and the school. She has come to the end of her contract with us, so she will leave Holy Trinity at the end of the summer term. We will miss her and her can do attitude! Thank you Miss P-B, we will all make the most of our last few weeks with you.

## Dance Energy 2024

'Dance Energy is a dance platform connecting the community with leading dance industry professionals. An integrated dance programme, providing children and young people, 7-19 years old (up to 25 with LLDD) from primary, and secondary schools, and community groups with the opportunity to work on a dance piece in a style of their choice.

A group of CCHT Year 5's will showcase their talent and perform/compete in the full-stage production in front of an audience, including family and friends, on the Kensington Town Hall stage'.

## Packed Lunch Information

### What is a healthy packed lunch?

A healthy packed lunch is a balanced meal providing a variety of nutrients, to be found in four food groups:

#### Starchy Foods

Base each meal on a starchy food, such as bread, potato, rice, pasta, yam. Starchy foods give energy, fibre, vitamins and minerals.

- 😊 Bread, try different types, such as sliced bread, wraps, chapattis, bread rolls, bagels or naan bread.
- 😊 Other starchy foods, such as pasta, potato, couscous or rice.
- ✓ Whole grain varieties are best for fibre, which is vital for a healthy digestive system.

#### Meat and Alternatives

Add some protein, for example meat, fish, eggs, beans or pulses. Protein foods build muscles and provide minerals.

- 😊 Lean meats, such as chicken, turkey or ham.
- 😊 Include oily fish, such as fresh tuna, sardines or mackerel at least once every three weeks.
- 😊 Cheese, such as cottage cheese, edam, cheddar or soft cheese.
- 😊 Egg, such as boiled, quiche or omelette.
- 😊 Meat alternatives, such as quorn or tofu.
- 😊 Dishes containing pulses, beans or meat, for example curry or falafel.

#### Drinks

Drinks, especially water, help children to concentrate and feel well. Water is freely available in school.

- ✗ The school has a water-only policy so please do not put any other drinks in the packed lunch.

#### Milk and Dairy Foods

Include a dairy product or dairy alternative, such as cheese, yoghurt, fromage frais or tzatziki. These foods provide calcium necessary for strong bones and teeth, as well as providing protein and vitamins.

#### Fruit and Vegetables

Don't forget to include fruit and vegetables. You can use fresh, frozen, tinned or dried. Fruit and vegetables are full of vitamins, minerals and fibre necessary for the body to function properly and to keep you strong and healthy.

- 😊 Add tomato, lettuce, cucumber or apple to a sandwich.
- 😊 A vegetable dish, such as vegetable curry, salad or roast vegetables.
- 😊 Fresh fruit, such as apple, banana, pear or satsumas.
- 😊 Dried fruit, such as raisins, apricots or dates.
- 😊 Fruit salad (fresh or tinned in juice) or vegetable salad.
- 😊 Finger foods, such as cherry tomatoes, carrot or slices of pepper. Good with a dip, such as taramasalata or salsa.
- ✓ Use fresh fruit and vegetables, which are in season to help the environment and enjoy variety!
- ✓ All packed lunches should contain at least one item of fruit, vegetable or salad.

- ✗ The school has a no peanut or nut policy, as some children are allergic to these.
- ✗ Please do not put chocolate biscuits, crisp-like products (including packets of salted/flavoured crackers, puffed potato snacks or baked potato snacks). Plain rice cakes, plain crackers and bread sticks are a great alternative.

# Reception - Visit to Chelsea Fire Station

# Swedish Midsummer

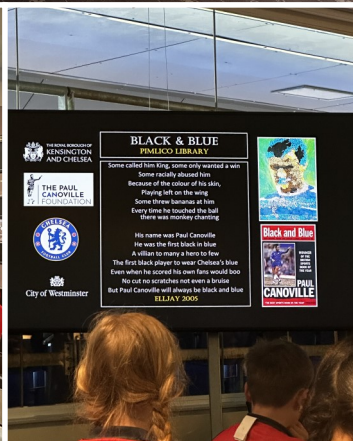

Last Friday Years 1 and 5 celebrated Swedish Midsummer. The afternoon was full of song around the beautifully decorated maypole.

## Year 6 - Black and Blue Workshop

Last week, Year 6 took part in an excellent workshop, learning all about the life of ex Chelsea Footballer, Paul Canoville. They learnt all about the hardships he encountered, who and what inspired him and how he overcame tricky times. Following the workshop, the children were invited to the Paul Canoville suite at Stamford Bridge to meet the man himself.

# OUR CITY

WESTMINSTER // KENSINGTON & CHELSEA

## WHAT'S ON FOR YOUNG LONDONERS

On Our City, you'll find activities, programmes and support for under 25's in Westminster or Kensington & Chelsea.

These could be just for fun, or could be to learn new skills or find help. All projects are free to take part in or cost only a small amount. To find an activity, visit the Our City website at the link below

<https://ourcity.org.uk/projects/young-people/outofschool/grid/any/0/0/-1/undefined/any/youngPeople/undefined//1?q=>

You will also find information on this website about the Holiday Activities and Food Programme (HAF), a Department for Education (DfE) initiative that provides activity and food provision for children aged 4-16 during the Easter, Summer and Christmas Holidays.

The programme includes summer camps, sports, arts, cooking, mentoring and leadership, and a wide range of activities for children and young people with SEND. Free places and food will be provided to those who are eligible for free school meals. Families can also access nutritional information through the programme. There's something for everyone.

# Summer Dance and Games with Mr. Ellison

Tuesday 23rd and Wednesday 24th of July  
Holy Trinity School  
Cadogan Gardens, SW3 2RN

The camp is open to all students in Years 1 to 6 at Holy Trinity, Christ Church and anyone else who would like to get involved. We'll be splitting into two groups on both days: a lively younger group and a more advanced older group, ensuring everyone gets the most out of their time.

Over the two days, the students will enjoy a variety of fun and classes, including workshops with cast members from the West End's Frozen, Wicked and Charlie and the chocolate factory. And of course, there will be plenty of dance and games with Mr. Ellison.

A brilliant opportunity to dance, play, and make new friends! To join the fun, please email [dancewithmark@outlook.com](mailto:dancewithmark@outlook.com)

## Transcendent (ages 9-11 & up)

**Author:** Patrick Gallagher **Publisher:** Orion/Hachette

Genius twins Kira and Jacob live in the sweltering heat and vibrancy of Mbale, Uganda. Their natural intelligence and strong sense of morality lead to them being recruited by a clandestine program known only as Transcendent.

This secret project aims to gather the most brilliant young minds in the world to lead an environmental mission in outer space. To prove they are up for the challenge, the twins must undertake three nail-biting trials against other genius candidates. Will they be selected for this most vital of missions? Is there more to this project than meets the eye?

Patrick Gallagher's debut novel crackles with energy, snappy humour and riveting action scenes. His experience as a teacher has clearly helped to make this an incredibly engaging read for upper Key Stage 2 – with motifs including advanced technology, gadgets, hacking and, of course, a strong focus on the environment.

He paints a rich image of life in Uganda, his mother's homeland, and interweaves aspects of his own experiences of dual heritage throughout the book in a meaningful but subtle way.

Fans of the *Alex Rider* series will love this adventure story and the addition of a female protagonist increases the demographic scope of its appeal.

This week, in **English**, we used the summer holidays as a focus for our writing. We thought about what we would need to pack in our suitcases for a sunny holiday and wrote about our dream holiday locations. We also wrote a description of the seaside.

In **Maths**, We have focused on addition and subtraction using a number line. We will continue to practise this strategy in the upcoming weeks in preparation for Year 1. Then we learnt to play snakes and ladders.

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/ /f/ /V/ /ff/ /ss/ /W/ /j/ /v/ /w/ /x/ /y/ /z/ /zz/ /th/ /ch/ /sh/ /qu/ /ng/ /ai/ /ee/ /igh/ /oa/ /oo/ /ar/ /or/ /ur/ /ow/ /oi/ /ear/ /air/ /er/ /ay/ /oy/ /y/ /o\_e/ /a\_e/ /u\_e/

This week the children reviewed the following sounds:

/oo/ - kangaroo, boot, hoot, soon

/u\_e/- flute, tune, dude, rule, June

**Please continue to practise all tricky words at home.**

In **Art**, we completed some more rainbow fish inspired art using cue tips as a tool to create dots.

On Thursday, we took a very exciting trip to the Fire station, followed by some fun and a picnic in St Lukes park.

Have a great weekend!

*Learning at Holy Trinity in Year 1*

*Friday 28<sup>th</sup> June 2024*

---

*Dear Parents,*

*This week, in English, we introduced the children to the wonderful world of acrostic poems. An acrostic poem uses the letters in a word to begin each line of the poem, with each line relating to the chosen word. This activity has allowed the children to explore their creativity and improve their vocabulary and descriptive skills.*

*The students enjoyed creating acrostic poems using words like summer, ocean, flower, and ice-cream. They came up with imaginative and thoughtful lines, showcasing their growing confidence in expressing their ideas through writing. We encourage you to ask your child to share their poems with you and even try writing some new ones together at home! They also wrote a poem using the letter in their names.*

*In maths, our focus has been on understanding turns and positional language. The children have been learning about left and right, as well as concepts such as above and below. These foundational spatial awareness skills are essential for their overall mathematical development.*

*To make learning fun and engaging, we incorporated interactive activities like playing Twister, where the children applied their knowledge of positions and turns in a playful context. This hands-on approach helped reinforce their learning and allowed them to grasp these concepts more effectively.*

*Wishing you a lovely weekend,*

*Miss Martin*

Learning at Holy Trinity in Year 2  
Friday 28th June 2024

This week we have enjoyed the joys of the sun please continue to pack hats and water bottles to keep us cool in the heat.

In English we have written our own versions of the 'Piano and the Bear' and enjoyed witnessing the bears bravery to explore a new talent and place. We are now going to use this to inspire our own stories. We have written detailed plans and are looking forward to writing our own tales next week.

In maths we have been using positional language to give clear instructions. We worked in partners to move around the treasure map. Please continue to practice left, right, clockwise and anticlockwise when giving instructions.

In science, we are developing our understanding of our local wildlife. We learnt that wildlife is not cared for by humans. We explored our playground and gardens before completing some research on the wildlife in [Battersea park](#).

Next week we are thrilled to be going to West Wittering beach as part of our coastal geography unit. The biggest cost is our coach journey; a tab has been set up on school gateway for donations. We will be leaving school promptly and need pupils in school for 7.45am. Please remember to pack swimming costumes and a packed lunch.

Reminders:

- Beach trip Wednesday 3<sup>rd</sup> July 7.45am

Many thanks,

## Learning at Holy Trinity in Year 3

Friday 28<sup>th</sup> June 2024

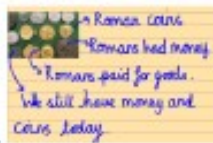

This week in English, we began a new unit themed around a short story called 'The Present'. In this story, a character has a change of heart. We discussed what this means before planning our own short story involving a character having a change of heart. We also practised using 'show don't tell', a technique where we use descriptions of body language to show how a character is feeling, rather than explicitly telling the reader the feeling.

In Maths, we continued our unit on geometry. This week, we looked at the properties of 3D shapes. We tried to use the terms 'vertices', 'edges' and 'faces' when describing the properties of each shape.

In RE, we continued our unit 'Who is Jesus?' This week, we thought about what Jesus meant when he said 'I am the good shepherd.' We thought about all the things a good shepherd would do to look after their sheep. This helped us to explain why Jesus would call himself a good shepherd.

In History, we looked at artefacts and sites that were left behind by the Romans. For each thing, we identified what it was, what it tells us about Roman life in Britain and how similar or different

It is to today.

In our DT unit the children will be using pneumatic mechanisms to create moving monsters. If you have any spare boxes (cereal boxes, egg cartons etc.) and/or squeeze bottles (washing up liquid bottles) that you are happy to donate, please send them in with your child next week!

Have a very happy weekend,

Miss Quirke and the Year 3 Team 😊

### Wonderful Work

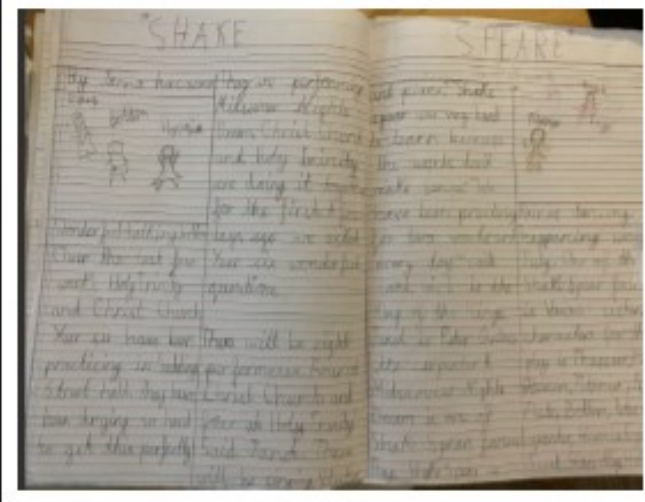

Learning objective: To understand body language

Case Criteria	Mr	MO
can describe body language		
can 'show not tell' when writing		

Write a description using body language for the scenario given.

**A boy was watching a scary episode of his favourite Sci-Fi series.**

*His body trembling teeth chattering hands together praying that the goosebumps episode would stop soon but it didn't. so he hid behind the curtains there was still an hour left and he really wanted to watch it so loud that he hid at the end of the film*

Learning at Holy Trinity in Year 4

Friday 28<sup>th</sup> June 2024

### Highlights of this week include:

#### Maths

This week children revisited and extended their knowledge of the names of polygons. We learnt that "gon" means "angled" and the different prefixes relate to the number of angles; for example, "pent" means five, so a pentagon has five angles and therefore five sides. We discussed other words that can help with the meanings of the prefixes, such as pentathlon and octopus. Year 4 then explored the meanings of "regular" and "irregular" in the context of polygons, learning that in a regular polygon, the sides are all equal in length and the angles are all equal in size. The children were surprised that a rectangle is irregular.

#### English

This week in English, children made final edits to their alternative chapters for the book *Mr. Penguin and the Lost Treasure*. They were tasked with setting the scene using suitable adjectives and adverbs, and varying their sentences by including simple, compound, and complex structures. Additionally, they incorporated direct speech. Once the chapters were complete, they assessed their own work by highlighting examples of the success criteria.

#### DT

On Tuesday, Lara Hailey, an artist who specialises in felt making, joined us. We started the day with pieces of merino fleece which the children transformed into their own felt-designs. During the afternoon, pupils collaborated on three large piece using the theme 'migrating butterflies'. See below for the stunning results:

#### ART

Children created their final watercolors based on *Journey on a Cloud*, a book inspired by Chagall's masterpieces, which worked to support Year 4's learning about one of the most popular artists of the twentieth century. These pieces can be seen at our very own art exhibition, currently at Cadogan Gardens.

**Have a lovely weekend!**

## Learning at Holy Trinity in Year 5 - Friday 28<sup>th</sup> June 2024

Year 5 has had such a fun week!

We are getting ready for Year 6 already, and this week we wrote letters to the children who will be our sheep next year! We told them all about how wonderful Holy Trinity is and about ourselves. We shared our likes, dislikes and hobbies. We also shared some advice for how to learn well at our school. It is so exciting that we can think ahead to having a lot more responsibility!

We have also spent a lot of time creating wonderful pieces of artwork. We finished off dyeing our Batik cloth, which will be on show at the art exhibition today (3.30pm - 5pm). We have put so much work into these, from learning about the culture to sketching, applying wax, and dyeing the cloth. It really has been a labour of love! We also created the lovely art on the invitations that we have given you, by learning about Greek Monsters/Creatures and then selecting one to draw. After that, we painted them using three colours (two for the body, one for the background). Once they were copied onto nice card, we wrote our invitations to you on the back!

Three of our class members were lucky enough to perform some poetry at the literacy festival held at Christ Church, where there was a special visitor - Queen Camilla! Raphael was able to perform a poem by A. A. Milne that he had selected, while Siqxlita and Abigail gave copies of poems that they had written in class to her so that she could read them at home.

In Maths, we have been rounding decimal numbers to the nearest integer. We know that any decimal number with a digit less than 5 in the tenths place is rounded down, while a digit of 5 or higher in the tenths place is rounded up. We have been practicing this a lot this week! This is an example of the activities we have done this week:

Round each number to the nearest whole number.

### Reminders:

- PE kit needs to be worn on Wednesdays and Thursday.
- Homework is due on Wednesdays!

Have a lovely weekend!

## Learning at Holy Trinity in Year 6

Friday 28<sup>th</sup> June 2024

In Maths, we continued to look at angles. We looked at angles in a triangle, what they sum to and how we can work out missing angles.

In English we recapped our understanding of relative clauses and adverbials. We looked through a biography of Marcus Rashford and highlighted all the fronted adverbials and relative clauses. Then we looked at improving some sentences by adding an adverbial or a relative clause.

On Wednesday we were lucky enough to see Queen Camilla visiting Christ Church. Although we were busy rehearsing, we joined Y6 CC to wave off the queen & making sure to bow and curtsy as she walked past her.

This week was our final week of Shakespeare rehearsals where we continued to work and fine tune our production. Next week we will be having four days of productions, both at Holy Trinity and Christ Church. Please find the list of who is performing and when below:
