Christ Church Ofsted Inspection Report 9th & 10th July Message from Mrs. Hawkins

This week we received the final version of the inspection report at Holy Trinity's sister school. We are very proud of the way they described the school. Although it is not about Holy Trinity we feel strongly that it resonates with what they will find when they next inspect this school.

We care passionately about the achievement of all our children and that we prepare them for success beyond the primary years. We aim to align all that we do to promote this at both schools.

If I had to choose a favourite phrase it would be:
"Character development is an exceptional trait of the school"

[Link to full report on website here](#)

Please send me thoughts and feedback about anything and everything as ever: ahawkins@ccht.rbkc.sch.uk

HAVE PE ON THIS DAY.**

GRANDPARENTS DAY

Alastair Rellie Day: Celebrating Grandparents.
Friday 4th October

This term our CCHT community celebrate Grandparents their support and inspiration alongside their cherished memories. This tradition was the idea of Alastair Rellie, a respected member of our community, a long serving Governor and a much loved grandparent himself. This is a time to reflect with the children about older generations of our community and how they support us and how in turn we support them.

All grandparents are welcome to join us for the morning. There will be a chance to spend time with grandchildren and enjoy tea and cake, served by our Year 6 team.

The 20 grandparent, lunch slots have now been taken. Those grandparents will stay on to join us for school lunch in our Cadogan Gardens site, at **midday**. Please note we are kindly asking that only one grandparent per family attends lunch (siblings can sit together).

Please sign up **all visitors** in the school offices by **Friday 27th** September so that we can plan for the day. It is important for safeguarding reasons, that we are able to account for everyone in the school buildings that day so please sign up their names even if they are not staying for lunch.
Thank you.

If you have recipes to share or any concerns or queries please do contact our Head Chef, Katie Dance, any time on this email:

kdance@ccht.rbkc.sch.uk

Important Autumn Term 2 Dates

Monday 2nd December at 7pm Christ Church School Hall

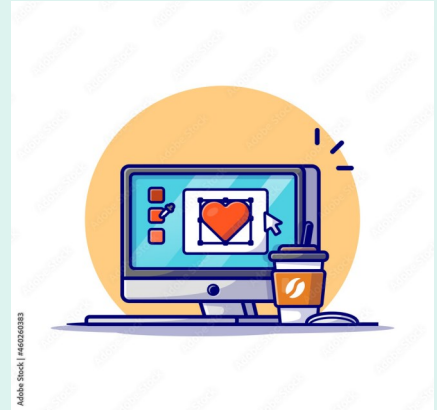

Speakers from [Childnet](#) will explore the experiences young people are having online and cover topics relevant to them including social media, gaming, digital wellbeing, screen time and online friendships and relationships.

The session will explore the different risks young people face online alongside practical tips, advice, and guidance around what you can do to manage them. They will also signpost to further resources and support.

Throughout the session, there will be an emphasis on the positive aspects of the internet so that you can best support your child in enjoying these benefits while staying happy and safe online.

Puberty and RSE talk CCHT Y5 and Y6 parents.

CARDS FOR GOOD CAUSES

WE'RE HIRING!

Shop Manager Holy Trinity Church, Sloane Street

Help us spread some festive cheer by joining the team at our popular pop-up Christmas shops.

Working as part of a fun and friendly team, our Shop Managers are key to our success. From setting up our shops, recruiting volunteers, managing deliveries and selling a huge range of charity cards and gifts it is hard work but very rewarding!

All our cards, gifts and wrap raise vital funds to support local and national charities across the UK.

Fixed Term, October to December 2024.
Full time or part time, flexible hours available.

If you have the commercial drive and vision and enjoy working in a fun, customer service environment with a team of amazing volunteers, please get in touch and we can make a difference together!

Find out more and apply

A Wild Walk to School (ages 4-5 & up)

Author: Rebecca Cobb Publisher: Macmillan

It's time to get ready for two adventurous sisters. Mum keeps worrying about them getting to school on time, but they have more pressing things to think about. For starters, they need to vigorously test out their welly boots to ensure they offer enough protection for the big adventure ahead.

As they set off to school, it's not long before the girls encounter their first chance to be brave: the Shadowlands, where they have to be extra careful not to step on any patches of sunlight, otherwise they'll be turned to stone. Next comes a treacherous gulf in the ground, molten lava disguised as autumn leaves, and even a sleeping giant that looks a lot like a road speed bump.

Mum seems unbothered by all the danger and earnestly tries to get the girls to hurry up, but the escapades continue all the way to the school gates. Will they get to school in time?

Both kids and parents will relate to this fun and witty tale. Told from the children's point of view, *A Wild Walk to School* brilliantly captures the contrasts of a child's imaginative mind with the everyday worries of a parent's morning routine. The easy-to-follow text is paired with Cobb's detailed coloured pencil drawings that are vibrant and wonderfully express the children's imaginative scenes.

Build confidence, boost concentration and make new friends

Perform weekly classes will boost your child's confidence, improve their concentration and give them a creative outlet to make new friends and have fun.

4–7 year olds enjoy a lively mix of energetic games, catchy songs and funky movement to help bring out every child's true potential.

7–12 year olds work with inspiring professionals learning skills for life and putting on a specially written show that gives everyone a chance to shine.

With child development at the heart of everything we do, our warm, friendly teachers provide a unique learning experience for your child as well as the best fun of the week.

Try Perform for free

We offer every child the chance to try one of our classes for free. It's the perfect way to experience our unique workshops first-hand and there's no obligation to join afterwards. Bring a friend to try out the session too and, if they want to continue, we'll send you a £30 voucher to say thank you. Call **020 7255 9120** to book.

With almost 300 venues across London and the South, there's bound to be a class near you.

CHRIST CHURCH PROMISES AUCTION

THURSDAY 7th NOVEMBER 2024

7pm

**Tickets cost £25 per person and includes a Two-Course Dinner and a glass of Fizz.
Please order your tickets through SCHOOL GATEWAY. *Already Live!***

We are delighted to announce that our hugely popular, eagerly-anticipated, highlight of the year - the annual Christ Church **Promises Auction** - is fast approaching, so please lock the **7th November at 7pm** in your diary for a not-to-be-missed occasion. We are thrilled to welcome all our new parents and old parents (!) friends and family into the Christ Church Hall for a 2 course dinner (cooked by our team of parent pros), a super selection of wine, beer and bubbles at the Bar, before our fabulous auctioneer, Father Brian, commences the Auction and leads us through our programme of events.

There will be a plethora of promises in the programme of lots, including all sorts of fun and fabulous creations as well as creative, bespoke and often exhilarating experiences for you to enjoy. We are aiming high, as ever this year, and would like to try and exceed our total of over **£45,000** that we raised last year, to go towards **CREATIVE CLASSROOMS** to enhance and improve our children's education with. Items to be included in the wish list are *art supplies for every classroom, playtime equipment, annual subscriptions, music and drama resources* and not to mention a chance to pay up front in full for some of our class trips such as *Forest School, specialist visiting artists, theatre trips, and excursions*, through our class wishes. A full and comprehensive list will follow. To give you an idea the cost to the school to fulfil these additional aspects which complete our rich and all-encompassing curriculum year on year is over **£300,000**.

There will be games and entertainment throughout the evening from our Alumni and present parents and some surprise features to be peppered in to the night. An amazing pyjama party will be available for your children which is also a big highlight of their school calendar. It will be a movie night complete with popcorn, hot chocolate, games, crafts and activities all cared for and supervised by our experienced members of staff - £5 per child. Please book in on School Gateway.

All in all it is a guaranteed evening of fun and laughter and an absolute must for the diary.

How do I buy my ticket?

We invite you all to please purchase your tickets via School Gateway. The link is open and your ticket secures your place and helps us plan for how many we are catering for, ahead of the night. You have a limitless number of tickets you can purchase and the price includes a delicious 2 course dinner made by some of our Christ Church parents, as well as a glass of fizz. There will be a full cash bar on the night with a wide selection of red and white wine, beer and soft drinks some festive cocktails.

Here's where we need YOUR help:

In order for the Promises Auction to take place we need your help and a lot of it at great speed!

We have the mammoth task ahead of compiling a catalogue of enticing and intriguing lots to encourage the bidding wars to begin.

The lots you offer could fall under the following six categories:

Food and Drink; Holidays; Events; Memberships & Exhibitions; A Helping Hand & Objects.

Please see examples of previous catalogues and contents to help guide you towards some ideas. Consider your own skills and areas of expertise and be as creative and original as you would like.

Please could you send your lot offers to Katie Rose at krose@ccht.rbkc.sch.uk by the 14th October – this is just over 3 weeks away.

Information to include in your lot offer:

Family Name:

Child(dren):

Contact Name:

Contact Email:

Contact Phone No.:

Lot Title: Chocolate cake pops for a class party

Photo:

Lot Description: Homemade chocolate pops.

30 chocolate cake pops themed to your child's class party

Chocolate coated cake pops for you child's party or or party bag (please let us know 2 weeks before)

Web Link:

We look forward to receiving your 'promises' as we promise this to be an auction to remember!

Learning at Holy Trinity in Reception

Another busy week in Reception class. Making our way through our baseline assessments alongside commencing our lessons focusing on Alphabet code and Maths.

In Maths, the children were introduced to Numicon shapes (1-10). Working on our counting and number formation skills.

We have been using this song to help us with our number formation:

<https://www.youtube.com/watch?v=DzKqCmjVXLI>

Alphabet Code - This week's new sounds are:

/a/ for apple

/s/ for snake

/t/ for tower

The children have worked on recognising the codes for the different sounds, practising their cursive letter formation and spotting the initial sound in words.

History and RE - As part of this term's topic, 'All About Me', we need both a family photo and baby photo of your child for the week beginning 3rd October. These can be sent into class, uploaded to Class Dojo or sent to the school office email.

Have a lovely weekend!

Learning at Holy Trinity in Year 1

Friday 20th September 2024

This week in Maths, we practised counting back accurately from a given number, finding one less than a given number and comparing groups of objects by matching. Next week, we will be comparing numbers and learning to use the terms greater than, less than and equal to accurately.

In English, we practised writing simple, accurate sentences and we tried using adjectives in our sentences to describe different characters. We played a game of hot seating where one of us pretended to be the tiger, and we needed to answer questions from our friends as the tiger. This activity helped us to understand the behaviour of characters from the story.

In RE, we continued our unit on creation. This week, we thought about how people treat creation. We looked at some of the things people do to help creation and some of the things people do that damage creation.

In Science, we looked at the functions of the human skeleton. We recreated our skeletons using straws and labelled key parts.

In Alphabet Code, we finished the /ai/ codes. We looked at **ai** as in **rain**, **ay** as in **play**, **a-e** as in **cake**, **igh** as in **eight** and **a** as in **baby**.

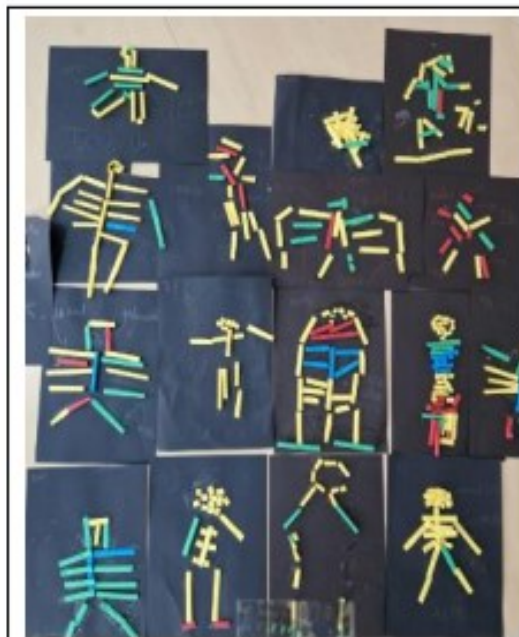

Have a lovely weekend ☺

Miss Quirke and the Year 1 team.

Reminders

Dance - Mondays

PE days - Tuesdays and Wednesdays

Learning at Holy Trinity in Year 2
Friday 20th September 2024

Thank you for a fantastic week of learning. It has been so wonderful to see everyone settle into Year 2 routines and make the most of the week. We have been so impressed with Y2's attitude to a 'new' friend of the day. It has been beautiful to see the class form a range of friendships and try different activities during playtimes.

In English this week, we worked extremely hard to write character descriptions. We have now planned our own beach stories and will begin to write these next week. Thank you so much for all the effort put into your homework, the use of adjectives and conjunctions fantastic to see. Please continue to sign up for our parent reader slot. It is a fantastic time to share your favourite stories from home with us. A big thank you to Roman and family who read a Mr Wolf's pancakes.

In Maths, we have been looking at the flexibility of partitioning numbers beyond tens and ones for example, partitioning, 52 into $31 + 21$ we explored commutative law to understand a whole does not change if it is participant in a different way. We also began to consider missing values within a number line by finding the intervals and spotting patterns.

In RE, we discussed what a prayer is and linked it to The Lord's prayer. We thought about how prayers are present in a variety of religions and some Christians use it to communicate with God. We reflected on who we talk to and who we have to help us in our lives. Our art focus this week has been to create our beautiful Christmas cards. We have carefully sketched painted and outlined our own nativity scene percent and a draft will come to you soon.

In Geography, we considered where our food comes from and what processes it undertakes, this week we looked at the journey of a crisp. We sequences the events from farm to packet and even tried some crisps of our own.

We have added some book requests to the amazon wish list; please feel free to scan the QR code below to see.

Have a lovely weekend,

Miss Peach

Holy Trinity Amazon Wishlist

Look out for 'a wish from year 2'

Learning at Holy Trinity in Year 3

Friday 20th September 2024

Dear Parents,

We've had yet another fantastic week in Year 3, filled with hard work, fun, and exciting learning experiences. The children continue to put great effort into mastering their daily routines, earning valuable Golden Time as they succeed in our 'Routine Bingo'. They are doing exceptionally well, adjusting to the new expectations and challenges that Year 3 brings.

In Maths, we've been focusing on partitioning and representing numbers up to 1000, using various methods and models. The children have shown great enthusiasm, and today (Friday), we have a particularly exciting lesson where they will use models on their tables to practise partitioning. Look out for some wonderful photos of their work! They've been asking insightful questions and showing fantastic focus during their independent tasks.

In English, we've been exploring sentence structure, learning the difference between simple and compound sentences, and using fronted adverbials to enrich our descriptions. The children have risen to the challenge and particularly enjoyed the 'Fronted Adverbial Off', where they constructed sentences using modelled fronted adverbials. The winning pairs earned an impressive five dojo points each for their 'excellent learning'.

In Science, the children have been captivated by their study of the human skeleton. They've been eagerly identifying the different bones, learning about their functions, and discovering how joints, cartilage, and connective tissues work together to keep our bodies moving. Our class text, *Danny, the Champion of the World*, has also been a hit, sparking great discussions and curiosity.

On Tuesday morning, the children were thrilled to have their recorder lesson, a huge hit! A big thank you to Mrs Ross for organising this wonderful opportunity with the Borough. We've included some pictures to capture the lively session.

Wishing you all a relaxing and enjoyable weekend!

Miss Jacobs and the Super Year 3 Team!

Class Dojo

Reminders:

PE Days- Wednesday and Thursday

Please encourage the children to fill in their reading record!

Learning at Holy Trinity in Year 4

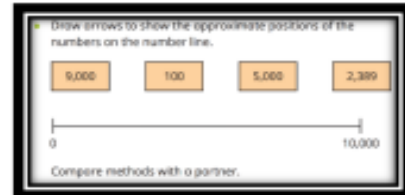

Friday 20th September 2024

Highlights of Year 4 this week include:

Maths

This week, pupils:

- Flexibly partitioned numbers up to ten thousand
- Labelled, identified, and found missing values on number lines
- Estimated values on a number line
- Compared and ordered numbers up to 10,000

English

This week, pupils:

- Explored using conjunctions (For, And, Nor, But, Or, Yet) to link two simple sentences into one compound sentence
- Considered how adverbs modify verbs and adjectives (degree adverbs)
- Planned a diary entry for a day in the life of the explorer Tadeo Jones (a character from an animation)
- Practised using a thesaurus to find synonyms.

Handwriting

Pupils continued to practise their handwriting skills with a focused session on this art. We are using high-frequency words to refine both handwriting and spelling skills.

History:

This week in history, children explored the terms AD/BC, BCE, and CE. They then created timelines of key historical periods, starting from the Iron Age and including the Roman, Tudor, and Victorian periods.

RE

During RE, we read a passage from Genesis and identified the promises God made to Abram. We then discussed how these promises shaped Abram's journey and what they signify in the wider context of faith.

Reading:

Year 4 continued with our class book George's Marvellous Medicine. In addition to reading further, children answered comprehension questions on Chapters 1-3.

For anyone who would like to offer additional support to Year 4, here is the link to our Year 4 Amazon Wishlist.

Learning at Holy Trinity in Year 5

Friday 20th September 2024

This week in Maths we continued exploring numbers up to 1 million, including learning to read and write numbers with hundreds of thousands and finding 10/100/1,000/10,000/100,000 more or less than a given number. We finished off the week by partitioning these big numbers flexibly.

This week in English, we continued with looking at the Swing of Change. We have been focussed on direct speech, recapping when to use speech marks and developing this further as we learnt to start new lines with each new speaker and add punctuation before the end of any speech. By the end of the week the children put this into practice by creating a conversation between 2 characters from the Swing of Change.

The children were very thoughtful in their discussions of racism and discrimination in our English lessons and connected these discussions to our PSHE lesson where we were discussing identity and stereotypes.

This week children have started to bring home Home Learning books, reading books and Reading Records. There was much interest in their new homework system on ATOM, which we talked through using as a class.

Thank you so much for coming to our class meeting this week, it was brilliant to have such a great turnout. I look forward to getting to know you all better over the coming year.

Reminders:

Home learning books back on Tuesday 24th September. Reading Records back on Wednesday 25th.

- **Tuesday 17th September** - Year 5 Class Meeting (9.10am-9.40am)
- **Monday 23rd September** - Individual Class Photos
- **Tuesday 24th September** - YR, 1, 2, 3, 4 and 5 Secondary Transfer Meeting (Cadogan Gardens)
- **Friday 27th September** - Trip to Fulham Palace Gardens - **We would love volunteers!**
- **Friday 27th September** - Macmillan's Tea (Sedding St)
- **Friday 4th October** - Grandparents Day
- **Friday 11th October** - Harvest Festival Service
- **NEW: Monday 21st October (AM)** - Trip to Royal College of Music - **We would love volunteers!**

Have a lovely weekend!

Learning at Holy Trinity in Year 6

Friday 20th September 2024

This week in English, we continued with looking at the opening of *Great Expectations*. We were introduced to what personification and pathetic fallacy are.

We finished the week with finding ways we could use personification to describe the wind and clouds from the scene in *Great Expectations*.

In maths we continued to look at place value and using number lines to compare and order 7-digit numbers. This encouraged us to have conversations about digits, how we know which number was greater/smaller and the distance between certain numbers on the number line. We finished the week by looking at integers and how we can order and compare them easily.

On Tuesday we visited the Charles Dickens Museum as part of the writing project. We learnt about the life of the famous author and how he narrowly avoided going to prison because his father was in debt! We enjoyed making links to our current English topic too.

Although it is September, strangely enough the classroom was filled with discussions about Christmas and Christingles. We were busy making Christmas cards and our theme was 'Christingles'. We recapped our knowledge about Christmas and what each part of a Christingle represents. Look out for our beautiful Christmas cards on sale later this term!

It was great to see so many of you at our class meeting this week, thank you for coming. I am really looking forward to working with you and making this a fantastic year ahead.

Reminders:

- **Monday 23rd September** - Individual Photos
- **Friday 27th September** - Author Visit from Pam Harrington
- **Friday 27th September** - Macmillan Coffee afternoon

What a great week Year Six! Have a sunny weekend ☺
