I LOVED THE BIG SWING AT OSMINGTON BAY AND LEARNING ARCHERY.
YEAR 5 ON OSMINGTON BAY

WHEN WE WENT TO GOODWOOD FARM I GOT TO MILK A COW AND FEED THE PIGS. WE ALSO WATCHED A CALF BEING BORN!
YEAR 2 ON GOODWOOD FARM

HOOKE COURT WAS BRILLIANT BECAUSE IT WAS MY FIRST TIME AWAY FROM HOME. WE GOT TO HAVE A BOAT RACE AND A BANQUET.
YEAR 4 ON HOOKE COURT

This year our challenge is to raise more funds for Learning Beyond the Classroom. School trips offer children a unique cultural learning experience. They encourage curiosity about a given subject and help to contextualise the learning back in the classroom. We plan enrichment both to ensure the children have the broadest possible experiences and that we make optimum use of all the wonderful opportunities available on our doorstep, in the heart of London.

WE FEEL SO LUCKY TO GO TO FOREST SCHOOL IN YEAR 1 WHERE WE GET TO DISCOVER MORE ABOUT NATURE AND BE OUTDOORS EVERY WEEK, COME RAIN OR SHINE..
YEAR 1 ON FOREST SCHOOL

LEARNING BEYOND THE CLASSROOM

Taking children out of London gives them a change of environment that sometimes would not otherwise be an option. They gain an insight into how other people live in more rural areas as well as first-hand experiences of contrasting geographical sites. These experiences are invaluable and children at Christ Church never forget these memories. Sadly the cost of many of these trips has risen exponentially in the last few years and, without specific fundraising, we can no longer afford to keep some of them as part of our curriculum.

The funding from the government to meet the special needs of our children has been cut, leaving us at Christ Church more than £100,000 short. This endangers many of the provisions we have in place, and raises the prospect that some of our children will be left without the support they need.
